SAINT REPORT:

This year students will be presenting to their class a power point presentation or a report about their patron saint. These presentations should be about two to three minutes long and answer the questions below.

The presentation should include:

- A short biography of the Saint (birth place, year of birth, details of the saint's life, including any miracles attributed to the saint).
- Why did you choose this saint?
 - What were his/her special virtues, qualities or deeds that drew you to this Saint as a patron?
 - What excites or inspires you about this Saints life?
- What can you do in your life to imitate your patron saint?

Presentations will take place during class during the month of March. If the student misses the presentation day, they will have an opportunity to present their report to the Director of Faith Formation prior to Confirmation.
